# WILL RACE FOR SEVEN DAYS

MANAGEMENT OF NEW CANADIAN TRACK ELABORATE THEIR PLANS.

Original Schedule for Inaugural Meeting Providing for Only Five Days Is Amended-Corporate Title of Association Decided Upon.

Ottawa, Ont., March 4.—Important announcements were made today, following a special meeting of the Ottawa Jockey Club. It was decided to change the name to the Connaught Park Jockey Club. Limited, of Ottawa, and to hold the inaugural meeting at the new plant on the Aylmer Road September 19 to 26 inclusive. It was originally intended to hold only a five-days meeting this year, but the prospects are so good that a seven-days meeting will be given. Twenty thousand dollars will be offered in pursos and stakes, with no purse of less value than \$400 and the feature of the opening day will include a race for a cup or plate offered by His Royal Highness, the Buke of Connaught, who has consented to act as honorary president.

Racing Manager, Albert Rohrback, in an interview requested that an erroneous impression concerning the intentions of the club be corrected. It appear that horsemen at Charleston, Juarez and elsewhere had heard that the Ottawa club had decided to install the pari-mutuels. They have, on the other hand, definitely decided not to have the machines and will build a large betting ring, 200 by 60 feet. Plans for the construction of the clubhouse and siands were accepted Saturday and the plant is now in course of construction. It will be completed about the middle of August. A. R. Loudon, of the Hamilton Jockey Club, has accepted an invitation to confer with the directors with regard to the arrangements for the paddock and betting ring.

The track is situated on the Quebec side of the river and will be operated under the same conditions as that at Blue Bonnets, Montreal. The clubhouse, stands and other conveniences will cost about \$130.—600, and His Royal Highness, the Duke of Connaught, will preside over the inaugural ceremonies on the opening day. The track will be sixtylive feet wide on the backstretch and seventy-five feet in the homestretch. The track is now being graded and foundations for stands and clubhouse are being made ready.

graded and foundations for stands and clubiouse are iseing made roady.

The addition of Ottawa to the Canadian racing circuit, completed a chain which starts at Windsor, but, and runs to Montreal, Que. The Connaught lark club will hold spring and fall meetings after lins year, filling in between the Montreal and Toronto meetings in June and September. There is minimited capital and influence behind the new olub and Connaught Park is certain to prove a success from every standpoint and will give horsemen fourtien days more of racing on the Canadian circuit. The first program book, including the stakes, will be issued soon. Manager Robirback intends visiting the horsemen at Charleston and Juarez towards the end of March and will then return to Ottawa to remain until the work of construction is completed.

# SUCCESS OF JUAREZ MEETING LEADS TO PLANS FOR FURTHER IMPROVEMENT OF THAT TRACK

FURTHER IMPROVEM

FI Paso, Tex., March 4.—Summerish weather prevailed and a big crowd crossed the Rio Grande yesterday to witness the running of the \$1,000 La Victoria Handicap at the Juarez track. This race brought together the best three-year-olds in training here and Secretary Jusper allotted the weights so evenly that the first five came to the finish on almost even terms. Francine, from the stable of C. W. Clark, was an added starter, but cut no figure in the running. Ymir, coupled in the betting with his stable companion, Vanir, as the entry of F. J. Grefer, captured the prize after a great struggle. Closer, the top weight, made the pace. He was closely followed by Vanir, one of the Grefer entry, and Upright. Lady Rankin, which was well backed, broke slowly, but closed with a strong rush. Upright was forced to go outside of Closer in the stretch, closing a little ground, while Ymir lunged the rail and stood a drive gamely.

Four well-backed favorites rewarded the public today and the layers received a secreting. El Palomar, belonging to C. W. Clark, the California and Montana miles of the capture of the second winner. J. Schreiber's Florence Roberts, to the post. The filly had been running far below her good form in previous starts, but she simply toyed with her opposition. The only favorite to win was Dr. Smoot and he was at odds-on. He found the distance exactly to suit him and made a show of his company.

The fourth race brought together a good field of fast sprinters. Schago showed that he is at the height of his form. He broke rather slowly from the post and running up to his opponents on the rail, was sharply cut off and forced to go around. He won in a loag, hard stretch drive. Closer ran a smart race and hung on with the gameness of a bull-dog, but could not withstand the determined rush of Sebago.

Encouraged by the success of the present meeting, the management of the Juarez Jockey Club is about to undertake extensive improvements at the track. The directors of the club are optimistic over the f

S. Miller Henderson will go to his home in Louis-ville about March 10. The four horses owned by Henderson & Hogan, which have been wintering at Lexington, will be taken to Louisville by J. O. Keene, trainer for J. N. Camden, and he will then turn them over to trainer Henderson when the latter reaches Churchill Downs from Juarez. The four horses Henderson & Hogan have at Lexington embrace the six-year-old gelding Snap and the trio of three-year-olds. El Toro, Fighting Hope and Absurd, all of which are among the entries for the Kentucky Derby of 1912. Absurd, which has never started, is a brother to G. M. Odom's noted mare, Follie Levy. Of the horses Henderson & Hogan are racing here only two will be taken back to Kentucky, they being Winning Widow and Cockspur. The others will all be sold before the Juarez meeting ends. tucky tracks the coming season, instead of following the small tracks in the far west. At the close of the Juarez meeting the Newman stable, which is one of the best here, will be shipped to Latonia to be rested for the spring meeting. Among the lot that will be sent north are Closer, Calisse, Uncle Ben. Isom and the two-year-olds Pan Zareta and Mother Katcham. The two last-named have been nominated for the Cincinnati Hotel Trophy Stakes.

J. C. Ferriss, Jr., is in receipt of a letter which imparts the information that the Canadian trainer, John Walters, now has charge of the horses in training at the Fletcher Stock Farm near Gallatin, Tenn., and is preparing his charges for an early shipment to Churchill Downs, at which course he will do his spring training this year. Mr. Walters has something like a dozen horses in his care, the bulk of which are two-year-olds. The letter also states that W. W. Darden's good colt Little Father is reported as wintering well at Nashville.

J. A. Seekington, who has been racing a small string here for B. A. Jones, a Missouri breeder, has left for his employer's establishment at Parnell, Mo., taking with him the mares Black Domino, Lady Elizabeth, Tender Bloom, Day Peep and Errant Lady. All of these mares were purchased at Juarez and were taken north for breeding purposes. The noted stallion Blues is standing at the Jones farm and will be mated with all of the mares.

Joe Schreiber, the owner-bookmaker, has departed for his home in San Francisco, and will not return to Juarez during the present meeting. He was interested in booking operations with W. G. Yanke when the latter was booking here, but has not operated since Mr. Yanke left, Mr. Schreiber has a fair lot of horses racing here in charge of trainer John Lowe. The Schreiber string will be sent to Coeur d'Alene for the spring meeting.

R. H. Harris is training 2 couple of two-year-olds for the Mexico City turfman, T. Gore. One is the brown colt Ton G., and the other a bay filly by Otis—Pauline, which has been named Marie Gor

Ings that Barney Schreiber shipped to Mexico City last fall.

The date for the closing of the Juarez meeting has not yet been definitely decided upon. Manager Winn states that there will at least be the 100 days of racing that was proposed and that he will take up the matter of an extension later. From now to the end of the meeting there will be racing every day in the week.

H. H. Selby will ship his horses to Louisville tomorrow. Henry McDaniel will send Woolwinder in the same car. Mr. Selby now has only King Stalwart and Little Cleo here, having seld the rest of the horses be brought from Kentucky. He has Sandrian and Sister Florence turned out in Kentucky and will take them up for the summer campaign.

An especially large number of entries were made by the principal stables now racing at Juarez to the stakes to be run at Lexington, Louisville and Latonia the coming spring and summer. Practically all the cracks which have been racing here this winter will be among these nominations, as the principal stable here will go to Kentucky.

Judge Charles F. Price was forced to absent himself from the stand several days last week, owing to another attack of illness. During his absence General Manager Matt J. Winn and Capt. W. H. Fenchler supervised the racing from the stewards stand.

General Hernandez, of the Vasquista forces, visited the track and expressed a desire to purchase several horses for mounts for his command. He looked many

General Hernandez, of the Vasquista forces, visited the track and expressed a desire to purchase several horses for mounts for his command. He looked many over carefully and probably will select those he may wish to buy tomorrow. Other has bought Crossover from C. F. Lamar for \$1,200. The mare will be restored to good standing upon proof being filed that the sale is bona fide. It is Mr. Otis' intention to race her at Louisville.

In the event that he is unable to dispose of the nine horses he is racing here, John C. Ferriss, of Nashville, Tenn., will at the close of the meeting ship the entire lot to Spokane and race them over the Intermountain circuit the coming season.

G. H. Keene, who has for the past few summers raced on the far western tracks, will ship the entire string he has racing here back to Kentucky at the close of the present meeting.

# AMORET IS AGAIN A WINNER

C. D. RAY'S WONDERFULLY IMPROVED GELD-ING CONTINUES SUCCESSFUL CAREER.

Scores His Sixth Consecutive Victory in Feature Race at Charleston-J. C. Milam's Horses Play Prominent Part in Day's Results.

Charleston, S. C., March 4.—The colors of J. C. Milam, of Lexington, Ky., played a conspicuous part in the results at Palmetto Park this afternoon. Mr. Milam's horses took two purses and missed another by the narrowest kind of a margin. All three were extensively supported. Those that scored for Mr. Milam were the sturdy campaigners Merrick and John Furlong. Faustina, a first time starter, just failed to win the opening race, which went to Baveil Lutz. Had Fanstina succeeded in winning, the bookmakers would have been given a severe drubbing, as she was backed from a high figure of 20 to 7. In the matter of purse earnings for the day, Mr. Milam quit loser, for he was forced to pay out \$810 to retain Merrick and John Furlong, each being bid up \$405 over their entered price of \$700.

Bright sunshine succeeded threatening weather and accounted for a big attendance. The track, contrary to expectations, was in excellent condition. The fields were of medium size and action in all the races was keen from barrier rise to finish.

Amoret scored his sixth successive victory when he just managed to outstay Donau, in the fourth race, H. G. Bedwell had designs on this purse with Prince Ahmed and the racer flattered his backers by maintaining a forward position to the stretch turn, but just when he was expected to draw away he failed badly and brought up in third place.

Frank Bruen, who looked after the local interests of the Louisville and Latonia stakes which closed last Saturday, reports having received minety-nine nominations to the Latonia stakes from horsemen here. The list of nominators includes F. J. Pons, R. F. Carman, H. G. Bedwell, J. MacManus, Capt. P. M. Walker, C. Woodford, J. W. May, W. G. Yanke, P. Hyanns, J. Griffin, G. W. J. Bissell, C. J. Bob Levy, under whose management the meetings at Norfolk are given, was a visitor at Palmetto Park this afternoon. He came from Texas and is on his way to Norfolk, Mr. Levy reports the outlook as bright for a successful meeting at the Virginia track. Many of the horsemen racing nere have already asked for stalls at the Jamestown Jockey Club's course, It is the intention of the club to give four or five stakes and in the event of no meeting being given at Pimlico, the opening at Norfolk will be deferred a couple of weeks later than now scheduled.

C. Phillips has purchased Naughty Lad from Wayne Joplin and E. C. Stone bought Diamond Buckle of R. F. Carman. Both horses are intended for racing over the half-mile tracks in Canada. A number of horses were worked between the races this afternoon. Some of the best moves were: Agnar—Three-quarters in 1:19.

# GOSSIP FROM LOUISVILLE TRACKS.

Louisville, Ky., March 4.—The horsemen at the local tracks are busily engaged in preparing their charges for the coming spring meetings in Kentucky. On favorable days now both tracks are alive with thoroughbreds, while when the weather is unfavorable, the sheds are used to advantage. Several big strings are stabled at each course, and while they are mostly made up of juveniles, several veterans of the turf are in the number.

J. B. Respess has a stable of seventeen at Douglas Park; T. P. Hayes has twenty, and J. W. Schorr, ten. Mr. Respess has a number of promising two-year-olds by Dick Welles, and also several by Marathon.

Star Charter, Frogless, Scrimmage, John Reardon and Senator Sparks, Trainer Tauber has kept the string in fine shape all winter and the horse appear to be in about the best condition of any stable here. Star Charter especially seems improved. He has filled out noticeably.

At Churchill Downs the stables of M. C. Prichard, Lew Marion, Shelby West, George J. Long, Charles Van Meter, B. Thompson, Ed Rubel, O. A. Bianchi and Dan Lehan are quartered. Mr. Long's stable is the largest, numbering seventeen head.

#### PROVISIONS OF MARYLAND RACING BILL.

PROVISIONS OF MARYLAND RACING BILL.

Baltimore, Md., March 4.—Mr. Bowen has introduced his bill for the establishment of a racing commission to govern the racing of horses in Baltimore County. The act is framed after the law which created the New York Racing Commission. In its preamble the act undertakes to provide for the regulation, control and licensing of horse racing within Baltimore County. The commission so named is composed of Redmond C. Stewart, Frederick Von Kapff and Spaulding L. Jenkins. They are to hold office for four years and their successors shall be appointed by the governor.

An important section of the act is that no person or persons, association or corporation shall hereafter hold a meeting in Baltimore County, whereat horse racing shall be conducted, except such corporations formed for the purpose of improving the breed of horses, regularly incorporated agricultural associations or fair associations, or hunt clubs, which shall have been incorporated or organized and held meetings annually for not less than two years prior to the passage of the act.

It is also provided that no one association shall receive more than twenty-six racing days in any one year, divided into two meetings, and that no dates shall be awarded for racing to be held during the months of October, November, December, January, February and March of any year. Nor shall more than one meeting be held on any one day in the county. The license fee is set at \$10 for each day of a meeting up to five days and \$200 a day for each additional day.

The penalty clause provides that every person aiding or abetting in the conduct of any meeting except in accordance with the license duly issued shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than \$500 and not more than \$2,000, for each day of such unauthorized meeting, or by imprisonment of not more than one year, or both. There is also an injunction clause providing fur such a procedure against any offending association or corporation.

#### ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

A. J. S.; Saginaw, Mich. See reply to B. M. McD & Co. A \$2 bet on Meadow called for a return of \$2.45.

S. B., Hamilton. Ont. Your query was answered Having accepted the bet the bookmaker should pay on Sir Cleges.

J. S., Chicago. Kingston was beaten by Marior C. in one race at Garfield Park but won all others in which he started in Chicago.

Chas. K., Chicago. A show parlay on Lieut. Sawyer, Keep Moving, Mamac and Frank G. Hogan, February 28, won \$7.60 for each dollar invested.

J. B. and Ed W., Chicago, Bets on Meadow her dead heat race, with the stipulation that price must be even money or better, were draws. Ed B., Buffalo, N. Y. There is nothing to ad to the former reply. If the bookmaker accepted the et he should pay. If he did not accept there is n

O. E. C., Philadelphia. When the distance of a race is stated in its conditions to be "about" a named distance it is usually short of the route named named.

F. M. W., Chicago. The dead heat was for first place only and did not affect the place prices. The parlay is to be calculated on the place prices as published.

Inquirer, Denver, Colo. The bet on Acguin was a draw for the reason it was stipulated that the price should be as good as 2 to 1 or no bet and the aver age price being 9 to 5.

Frank Y. S., Chatham, Out. A bet on Wetstone was certainly not a bet on Hearthstone and it is for the bookmaker to say whether he will hold it to be a draw or a bet on Hearthstone.

B. M. McD. & Co., Louisville, Ky. The rule in cases of dead heats is that money bet on the dead heaters is to be added together and divided, equally between the bettor and bookmaker. Your method of calculating the parlays on Inquieta and Meadow and on Injury and Lady Stalwart is correct.

# I AM IN A POSITION

through my brother, who is well known on the track, to put you in touch with infornation, which on account of its exclusiveness, will prove the best paying you ever received.

My information will reach you sometimes

a week in advance and will be confirmed by paid telegram the day of the race, just as soon as I know the "right" money is placed. Telegram will always reach you by noon.

For terms and information, which is the best and cheapest to be had considering its value, address me,

J. C. CASSIDY Room 611, 9 Beekman St., NEW YORK CITY.

THE HORSES ADVISED ARE NOT 30-1 SHOTS, BUT RANGE IN PRICE UP TO 10-1.
